SUGGEST

to participate in the International Scientific Conference

**PROFESSOR BENEDIKT DYBOWSKI – A DISTINCTIVE RESEARCHER OF THE COMMON
NATURAL HERITAGE OF POLAND, BELARUS AND UKRAINE**

devoted to the 185th anniversary of the birth of an outstanding naturalist

Location and time of the conference

10-12 may 2018

(Ivan Franko National University of Lviv)

Direction works of the conference:

- 1. B. Dybowski – an outstanding scientist late XIX - early XX centuries and its legacy.*
- 2. Continuation of B. Dybowski's case: theoretical and practical approaches to the study and evaluation of the current state of biotic systems.*
- 3. Non-scientific Non-scientific directions of activity of Benedict Dybowski.*

To participate in the conference it is necessary to submit by March 1, 2018 the electronic application of the conference participant, the title and abstracts of the report up to 1000 characters in Ukrainian, Polish or Russian. The authors of the best

theses will be invited to submit scientific articles (4 scientific articles from each country, the volume of the article - 15-20 pages). The deadline for submission of scientific articles is March 10, 2018. The application form must be sent by e-mail to vasyk.khymyak@pl-by-ua.eu

According to the results of the conference, it is planned to publish a collection of conference materials in the languages of the original (speakers) with the English resume.

Conference participants will receive invitations and accompanying information on organizational issues via e-mail. The organizing committee of the conference reserves the right to select scientific articles. Topics of speeches and their contents, which do not correspond to the declared topics of the conference, will not be taken into account.

Working languages of the conference: Ukrainian, Polish, Russian, English

The event is funded by the Trans-frontier Cooperation Program Poland-Belarus-Ukraine 2007-2013
